

Arizona School Tax Credit

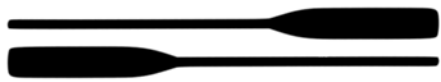

ARS 43-1089 allows dollar-for-dollar tax credit for contributions made to Arizona public schools for supporting extracurricular activities. This includes Grand Canyon Youth programs!

Most Arizona taxpayers are eligible to receive tax credit up to: \$400 (married, filing jointly) or \$200 (filing single).

It won't cost you a dime and it gives you a voice in how your tax dollars are spent. For example: If you donate \$150 to a school's GCY program, you will reduce your AZ state tax bill, or increase your refund, by \$150. 100% of those funds go towards that school's GCY river program.

You don't need to itemize your deductions to benefit from this tax credit. However, if you do itemize, you may also be eligible to take a deduction on your federal income tax return for a charitable contribution.

You must donate by December 31 to be eligible to take the tax credit for the current year. Use the attached form – it's easy!

Please note: If you pay \$0 or limited AZ state income tax, you can't reduce your liability below \$0. Check with your tax advisor.
