

## Packing for Your GCY Program 7-11 Days

### How to Pack

You need two bags for this program. All of your personal items should be packed into a **trash bag or soft gym bag**, labeled with your name. This will be your “camp bag.” GCY provides a waterproof “dry bag” to pack your camp bag into when you get to the river. Space is limited, pack as lightly as possible!

Your second bag is a **small school-sized backpack**, or “day pack.” Pack this with what you need during the day. Keep in mind that things in the backpack will probably get wet.

*Left: Your “camp bag” with personal items will be packed into a dry bag, then rolled and buckled to ensure contents stay dry!*

*Right: A sturdy school backpack works perfectly as a “day pack”!*

*\*Bags are not to scale*

### GCY Will Provide...

A lifejacket and dry bag containing a sleeping bag, sleeping pad, and ground tarp. There are also tents available, although most nights groups will sleep out under the stars! Other gear coming along for the trip includes boats, a full kitchen, a wilderness bathroom (“groover”), all food and snacks, fresh water, and a kit full of games, books, and art supplies.

### Borrowing from GCY

GCY has many items available to borrow at our warehouse, including river shoes and rain jackets. Please check with us before purchasing any items! We understand that kids grow quickly, and purchasing outdoor gear can be a burden. Work with your Trip Coordinator to request certain items, or stop by the GCY warehouse and try on things for yourself.

### Do Not Bring

If you do not see an item on the Equipment List, it is because **we have intentionally left it off**. Avoid bringing heavy clothing, towels, jeans, nice shoes, or leather boots. GCY programs are intentionally technology free, so please do not bring any electronics (cell phones, mp3 players, gaming devices). Remember anything you bring may get lost or ruined! Leave behind all money, wallets, and other valuables (watches, jewelry, favorite clothes, etc.). GCY will provide plenty of snacks, so **leave all food and drinks** at home as well.

### Medications

**Please bring TWO SETS of any necessary or prescription medications** (inhalers, Epi pens, daily medications, etc.). One set will stay with you and the other will go with your Trip Coordinator as backup. **YOUTH MUST BE ABLE TO MANAGE AND ADMINISTER THEIR OWN MEDICATIONS.** GCY provides extensive first-aid kits for the program. You do not need to bring any over-the-counter medications or first-aid supplies.
