

## Packing for Your GCY Expedition Verde River Expedition

### How to Pack

Bring one bag for this expedition. At the river, you will take your lunch, sunscreen, water bottles, and any needed medications and pack them into a small “dry bag” that will be provided for you. Your backpack with extra dry clothes for after the trip will stay in your vehicle while you are out paddling.

**Left:** Your lunch and small personal items will be packed into a small dry bag, then rolled and buckled to ensure contents stay dry while on the river

**Right:** A school backpack works perfectly. So does an extra shopping bag

*\*Bags are not to scale*

### GCY Will Provide...

A Personal Flotation Device (PFD), small dry bag, kayaks, paddles, snacks, extra fresh water, and extra rain gear and jackets for participants to borrow if they get cold or wet. There are outhouse-style bathrooms along the way.

### Borrowing from GCY

GCY has many items available to borrow at our warehouse, including river shoes and rain jackets. Please check with us before purchasing any items! We understand that kids grow quickly, and purchasing outdoor gear can be a burden. Work with your Trip Coordinator to request certain items, or stop by the GCY office and try on things for yourself.

### Do Not Bring

If you do not see an item on the Equipment List, it is because **we have intentionally left it off**. Avoid bringing heavy clothing, jeans, nice shoes, or leather boots. GCY expeditions are intentionally technology free, so please do not bring any electronics (cell phones, mp3 players, gaming devices). Remember anything you bring may get lost or ruined! Leave behind all money, wallets, and other valuables (watches, jewelry, favorite clothes, etc.). GCY will provide plenty of snacks. Your lunch may be provided to you by your school/GCY, or you may need to provide your own. Please check with your Trip Coordinator.

### Medications

**Please bring TWO SETS of any necessary or prescription medications** (inhalers, Epi pens, daily medications, etc.). One set will stay with you and the other will go with your Trip Coordinator as backup. **YOUTH MUST BE ABLE TO MANAGE AND ADMINISTER THEIR OWN MEDICATIONS.** GCY provides extensive first-aid kits for this expedition. You do not need to bring any over-the-counter medications or first-aid supplies.
