Dear Parents & Guardians,

Welcome to Grand Canyon Youth! We are so pleased to have your child joining us for a life-changing adventure.

Grand Canyon Youth (GCY) is a nonprofit organization based in Flagstaff that provides outdoor experiences to young people ages 10-19. We believe that all young people can benefit from time spent in natural places. GCY serves schools, groups, and youth from across the country.

Our programs are educational in nature: in addition to exploring the outdoors, your child's journey with us will include hands-on science, art-making, time for reflection, teamwork, and much more.

For over 20 years, GCY has run hundreds of expeditions with thousands of participants from across the country! Our office staff will guide you and your child every step of the way as you prepare for their adventure. Thank you for choosing to send your child on a Grand Canyon Youth expedition. Nature and wilderness have the power to transform lives, and we are honored to share this opportunity with your child.

Please do not hesitate to contact us if you have questions as you prepare your child for their GCY expedition.

Sincerely,

Emma Wharton, MSW  
GCY Executive Director

**What sets Grand Canyon Youth apart?**

GCY provides some of the only access to the rivers and canyons of the Southwest dedicated to youth programming. We are committed to serving youth from a variety of backgrounds, so anyone who is interested has the chance to participate. Additionally, by completing GCY's Pre-Trip Requirements - community service hours, youth earnings, and an educational component - participants gain a strong sense of ownership over their program. GCY supports each expedition financially by offsetting about half of the trip price with money from donors, grants, and other fundraising efforts. All of this makes GCY stand apart, and provide unique, educational, high-quality expeditions.

**About Verde Valley Explorer**

This expedition is a great introduction to outdoor adventure, kayaking, and Grand Canyon Youth. Participants sign up independently from all over and will come together to join in this shared experience. Some may already have outdoor experience, while for others it may be their first time exploring the outdoors. Everyone is welcome to participate; you will work together to develop teamwork skills and build a community. We will all learn and play together!

The Verde River is part of the homelands of the Hohokam, Hopitutskwa (Hopi), Yavapai-Apache, Jumanos, and Ndee (Western Apache) peoples.

# Frequently Asked Questions

## What are we going to do out there?

Being on the river is taking a break from the hustle of everyday life. You will travel downstream in your own sit-on-top kayak. Everyone works together: paddling downstream, stopping at interesting sites, and learning about the area's natural and human history.

## Who is coming with me?

Your group will include youth from across the country! Each expedition has a Trip Coordinator, an adult leader in charge of helping you prepare and making your expedition successful! Your Trip Coordinator will communicate with you prior to the expedition and be your main group leader throughout the expedition. At the river you will meet your guide crew. Our guides have a passion for working with youth. Many GCY guides are alumni of our expeditions!

## How difficult will the expedition be?

It is important to show up mentally prepared to be outside and active *all day*. This is part of the fun, but can be challenging. Having a good sun hat and knowing how to stay hydrated are great places to start. Even if you're not 'outdoorsy' and/or do not know how to swim, everyone can participate and succeed!

## What if there is an emergency?

Most emergencies can be prevented. GCY Field Staff will give safety orientations once youth reach the destination. Everyone is encouraged to take extra care looking out for themselves and adhering to safety guidelines. GCY Field Staff are certified Wilderness First Responders, and travel with reliable communication devices and first-aid materials. Field staff and Trip Coordinators will reinforce safety guidelines throughout the trip. If there is an incident, the GCY office staff will work with guides to organize support. If you are nervous about any aspect of the expedition, please contact us for more information.

## What is the weather going to be like?

The weather in the Southwest is as unpredictable as the place itself. Prepare for all kinds of weather, and to be outside all day every day. Your expedition could be hot and sunny, cold and drizzly, or both! Pack layers to help you adjust to the range of temperatures and conditions. You can check the weather prior to your expedition by searching the forecast for **Cottonwood, Arizona**.

# GCY Pre-Expedition Planning

## Financial Aid Availability

GCY offers Financial Aid for every Individual Expedition. We acknowledge that extended outdoor expeditions are expensive endeavors, and some families and youth may need support. We offer Financial Aid to any participant who demonstrates financial need, and everyone is qualified to apply. The vast majority of applicants are awarded at least a portion of their request. Because funds are limited, please ask only for what you need.

The Financial Aid Request form is available at the end of the online Youth Application, and includes fields and short answers questions for parents/guardians and youth to complete together.

## Pre-Trip Requirements

We believe you will be more actively engaged and invested in the success of the program by working for it! To achieve this, we ask you to complete 3 Pre-Trip Requirements: Educational, Service, and Youth Earnings. There are many resources available to help you complete these requirements, including the GCY website, and your Trip Coordinator. We recommend starting this process early!

- **Educational Component (1hr/week before your expedition)**

How do you prepare to embark on an adventure like this? The educational component for this program is a series of weekly emails before the expedition begins. Articles, poems, short videos, and other resources will help you delve into the wonder, history, and environment of the Verde River. You will receive these emails from your Trip Coordinators *starting about 1 month before the expedition*. Prepare to reply and respond thoughtfully to all of these prompts. If anything peaks your interest, don't be afraid to dig deeper!

- **Service Component (2hrs/day on expedition)**

Engaging with your home communities prepares you to be an active member of the GCY river community. Each participant is expected to complete **2 hours of service per day on expedition**. You can count any service you have done since the beginning of the school year.

- **Youth Earnings Component**

Have you ever noticed that when you work for something, it means more to you? Because of this, you are expected to raise or earn a portion of the trip price. There are no parameters on how much you need to earn – we ask that you raise a meaningful amount for yourself. Be as creative as you like: save money from your job, do chores for family and friends, or sell art you make, old sports equipment, or video games you no longer use, etc.

- **Pre-Trip Requirement Documentation**

We also ask that you document the completion of these Pre-Trip Requirements. When you complete your online application and are officially registered for the expedition, you will receive a welcome email containing a link to the Pre-Trip Requirement Forms. It is a good idea to look at the questions on these forms *before* you begin working on your Pre-Trip Requirements.

## Travel Planning

Youth come from all over to participate on our Verde Valley Explorer expedition! If traveling from outside of Flagstaff, you are responsible for your own travel to and from Grand Canyon Youth. For information please visit <https://gcyouth.org/expeditions/individual-expeditions/#packing>.

Please call the GCY office if you have any questions and before booking any travel arrangements!

# Packing for Your GCY Expedition

## Verde Valley Explorer

### How to Pack

Bring one bag for this expedition. At the river, you will take your lunch, sunscreen, water bottles, and any needed medications and pack them into a small “dry bag” that is provided. Your backpack with extra dry clothes for after the trip will stay in your vehicle while you are out paddling for the day.

**Left:** Your lunch and small personal items will be packed into a small dry bag, then rolled and buckled to ensure contents stay dry while on the river.

**Right:** A sturdy school backpack works perfectly to bring your personal items in. So does an extra shopping bag

*\*Bags are not to scale*

### GCY Will Provide...

A Personal Flotation Device (PFD), small dry bag, kayaks, paddles, snacks, extra fresh water, and extra rain gear and jackets for participants to borrow if they get cold or wet. There are outhouse-style bathrooms along the way.

### Borrowing from GCY

Please check with GCY before purchasing any items: we have many items available to borrow at our warehouse, including river shoes and rain gear. We know that kids grow quickly and purchasing outdoor gear can be a burden. Work with your Trip Coordinator to request items, or stop by GCY to try things on.

### Do Not Bring

If you do not see an item on the Equipment List, it is because **we have intentionally left it off**. Avoid bringing heavy clothing, jeans, nice shoes, or leather boots. GCY expeditions are intentionally technology free, so please do **not** bring any electronics (cell phones, gaming devices, etc.). Anything you bring may get lost or ruined! Also leave behind all money, wallets, and other valuables. GCY will provide lunch and plenty of snacks, so **leave all food and drinks** at home as well.

### Medications

**Please bring TWO SETS of any prescription medications** (inhalers, Epi-pens, daily medications, etc.). One set will stay with you and the other will go with your Trip Coordinator as backup. **Youth must be able to manage and administer their own medications.** GCY staff does not administer medication except in the event of specified emergencies, or where a participant requests reasonable assistance in self-administration of medications.

# Packing List

## Arrive Wearing

- River shoes:** 1 pair of sport sandals with a thick sole and heel strap, such as Tevas, Chacos, or Keens.
- Quick-dry shorts:** Bring 1 pair. They should be made of nylon or fast-drying material (not cotton!). Athletic shorts, swim trunks, or leggings.
- Bathing suit top** (if needed): No tying swimsuits, dark-colored sports bras recommended.
- Sun shirt/Sun hoodie:** 1 long-sleeved, lightweight, cotton shirts are ideal for sun protection. Think button-up dress shirts. Wearing shirts is required.
- Sun hat:** With a large brim and chin-strap. Wearing a hat is required.
- Sunglasses**
- Retention device:** Strap for your sunglasses or eyeglasses so you don't lose them, like Chums or Croakies.

## Keep with you during the day (Pack into dry bag)

- Water bottles:** 2 Nalgene-type screw top plastic bottles. You need at least 2 liters. Camelbacks or other hydration packs are okay as long as you also bring a spare water bottle.
- Carabiners:** 2 metal clips that let you attach your backpack and water bottle to boats. Find them at outdoor shops. They should be at least 3 inches long, and do not need to be climbing grade or locking.
- Rain gear:** 1 rain jacket (no ponchos) & 1 pair of rain pants.
- Lightweight fleece jacket:** Bring 1
- Waterproof disposable cameras:** (optional) Bringing large or expensive cameras is not recommended.
- Eyeglasses:** If needed. If you wear contact lenses, bring back-up glasses, just in case.
- Sunscreen:** At least a 3 oz. bottle.
- Personal Toiletries:** chapstick, travel size lotion, period care products (tampons with cardboard applicators or O.B. tampons are recommended)
- Personal medications:** Bring 2 sets!

## For the drive home (Pack in backpack or shopping bag)

- Small towel:** Bring 1 to dry off with after the expedition.
- Extra, dry set of clothes**
- T-Shirt**
- Shorts or Pants**
- Underwear**
- Socks**
- Dry Shoes:** these can be tennis shoes, flip flops, etc.
- Trash Bag:** Bring 1 to store all of your wet, dirty clothes in on the ride back

## 2022 COVID-19 Prepared Packing List

In addition to following the COVID-19 Health Agreement before your expedition, please come prepared to help mitigate the potential for transmission while on expedition. Please update GCY with any changes to your medical information, bring the following items along with you, and be ready to be an active participant in the collective health of your expedition!

### How to Pack

Please keep your COVID-19 preparedness supplies in your **day-pack**. Follow [CDC recommendations](#) for clean and dirty face covering storage, and washing cloth/reusable masks throughout your expedition.

### GCY Will Provide...

Additional COVID-19 mitigation supplies, including sanitization and testing materials. Please reach out to us with any questions regarding on-expedition mitigation efforts at [expeditions@gcyouth.org](mailto:expeditions@gcyouth.org), or visit our [FAQs on our website](#).

---

#### **Completed vaccination card**

- Please email your vaccination records to [expeditions@gcyouth.org](mailto:expeditions@gcyouth.org) before arriving for your expedition. Bring a copy as back-up.

*\*Email GCY's Executive Director, [emma@gcyouth.org](mailto:emma@gcyouth.org), to discuss accommodations or vaccination exemption.*

#### **Well-Fitting Masks:** cloth and/or disposable that fit your face well. Please follow [CDC guidelines](#) regarding fit and [other recommendations](#).

- For shorter expeditions (1-4 day), please bring enough masks to have a clean option each day.
- For longer expeditions (5+days), time will be available to wash cloth/reusable masks. We recommend bringing enough masks to have a clean option each day for the first half of your trip.

Expedition Length	Masks
1 Day	2
2-4 Days	4
5+ Days	6

- Ziplock bags:** bring 2. Keep your clean masks in one. Use the other to store dirty/wet masks before proper disposal or washing.
- Biodegradable/Castile soap (travel size)** (For Multi-Day Expeditions Only): for washing cloth masks.
