

Packing for Your GCY Expedition

Verde Day Trip

How to Pack

Bring one backpack for this trip - about the size of a school backpack. At the river, you will take your lunch, sunscreen, water bottles, and any needed medications and pack them into a small "dry bag" provided by GCY. Your backpack with extra dry clothes for after the trip will stay in the vehicle while you are paddling for the day.

GCY Will Provide...

A Personal Flotation Device (PFD), small dry bag, kayaks, paddles, snacks, extra fresh water, and extra rain gear and jackets for participants to borrow if they get cold or wet. There are outhouse-style bathrooms along the way.

Borrowing from GCY

Please check with GCY before purchasing any items: we have many items available to borrow at our warehouse, including river shoes and rain gear. We know that kids grow quickly and purchasing outdoor gear can be a burden. Work with your Trip Coordinator to request items, or stop by GCY to try things on.

Do Not Bring

If you do not see an item on the Packing List, it is because **we have intentionally left it off**. Avoid bringing heavy clothing, towels, jeans, nice shoes, or leather boots. GCY expeditions are intentionally technology free, so please do not bring any electronics (cell phones, gaming devices, cameras etc.). Anything you bring may get lost or ruined! Also leave behind all money, wallets, and other valuables.

Medications

Please bring TWO SETS of any prescription medications (inhalers, Epi-pens, daily medications, etc.). One set will stay with you and the other will go with your Trip Coordinator as backup. **Youth must be able to manage and administer their own medications**, unless otherwise agreed or documented in medication communication plan with collaborating organizations. GCY staff does not administer medication except in the event of specified emergencies, or where a participant requests reasonable assistance in self-administration of medications.
