Dear Parents & Guardians,

Welcome to Grand Canyon Youth! We are so pleased to have your child joining us for a life-changing adventure.

Grand Canyon Youth (GCY) is a nonprofit organization based in Flagstaff that provides outdoor experiences to young people ages 10-19. We believe that all young people can benefit from time spent in natural places. GCY serves schools, groups, and youth from across the country.

Our programs are educational in nature: in addition to exploring the outdoors, your child's journey with us will include hands-on science, art-making, time for reflection, teamwork, and much more.

For over 25 years, GCY has run hundreds of expeditions with thousands of participants from across the country! Our office staff will guide you and your child every step of the way as you prepare for their adventure. Thank you for choosing to send your child on a Grand Canyon Youth expedition. Nature and wilderness have the power to transform lives, and we are honored to share this opportunity with your child.

Please do not hesitate to contact us if you have questions as you prepare your child for their GCY expedition.

Sincerely,

Emma Wharton, MSW  
GCY Executive Director

In service to our mission and values, GCY would like to acknowledge that this expedition visits the ancestral homelands of the Nuciu (Ute), Pueblos, Diné (Navajo), Hopitutskwa (Hopi), Nuwuvi (Southern Paiute), Havasu Baaja (Havasupai), Kvav-Kapai (Hualapai), Pipa Aha Macav (Mojave), and Nuwuwu (Chemehuevi) peoples, past and present. We recognize with gratitude the people who have stewarded these lands since time immemorial and the vibrant Native communities who make their home here today.

**What sets Grand Canyon Youth apart?**

GCY provides some of the only access to the rivers and canyons of the Southwest dedicated to youth programming. We are committed to serving youth from a variety of backgrounds, so anyone who is interested has the chance to participate. Additionally, by completing GCY's Pre-Trip Requirements - community service, youth earnings, and an educational component - participants gain a strong sense of ownership over their program. GCY supports each expedition financially by offsetting about half of the trip price with money from donors, grants, and other fundraising efforts. All of this makes GCY stand apart, and provide unique, educational, high-quality expeditions.

**About the Grand Inspiration Expedition**

Developed in collaboration with the Resource Education Branch of Grand Canyon National Park, this program was created to deepen the connection between youth and Grand Canyon through creative expression (visual arts, video, photography, and creative writing) integrated with a study of the environment through a conservationist lens.

This expedition is more than just a rafting trip. It's an opportunity for you to learn from and be mentored by park rangers and local artists. You will use art as a way of reflecting on your experiences on the trip and as a story-telling tool to share with others after the trip. To learn more, watch the short video "What You Take Away" (<https://gcyouth.org/stories-photos/>).

**Travel Planning**

Youth come from all over to participate in our Grand Inspiration expedition! If traveling from outside of Flagstaff, you are responsible for your own travel to and from Grand Canyon Youth, including any overnight arrangements needed before or after the expedition. For information about flying, shuttles, support GCY can offer, and other considerations, visit <https://gcyouth.org/expeditions/individual-expeditions/#packing>. Please call the GCY office if you have any questions and before booking any flights or travel arrangements!

## Frequently Asked Questions

### What are we going to do out there?

Being in nature means taking a break from the hustle of everyday life. You will spend your days sharing meals, playing games, hiking to incredible vistas or cultural sites, learning about the place, and having a lot of fun! Everyone works together: setting up camp, doing science projects, cooking dinner, and washing dishes. Come ready to work & learn!

### Who is coming with me?

Your group will include youth from across the country – sometimes from across the world! Each expedition has a Trip Coordinator, an adult leader in charge of helping you prepare and making your expedition successful! Your Trip Coordinator will communicate with you prior to the expedition and be your main group leader throughout the expedition. At the river you will meet your guide crew. Our guides have a passion for working with youth. Many GCY guides are alumni of our expeditions! You will also have one or more scientists from the USGS facilitating citizen-science research projects.

### How difficult will the expedition be?

It is important to be in good physical condition for this adventure. Building up endurance prior to your expedition is a good idea. You will be outside, active, and in the hot sun every day. This is part of the fun, but can be challenging. Besides rafting and hiking, plan on being involved in loading and unloading boats, packing and unpacking gear, and setting up and taking down camp.

Hiking in the desert Southwest is different from hiking anywhere else. Many hikes contain uphill sections over uneven terrain, near vertical drop-offs. It can be very hot and dry, or wet and cold. Some hikes include rock scrambling and require guide assistance. Hiking is an important aspect of the expedition; expect to hike a couple of hours each day.

### What are the Pre-Trip Requirements?

You are more invested in an experience when you work to earn it yourself. To achieve this, you are required to complete three Pre-Trip Requirements:

- **Educational Component:** Learning about your destination before participating helps you connect with the place you will visit.
- **Service Component:** Doing service projects in your community helps prepare you to form a cohesive community in the wilderness.
- **Youth Earnings Component:** Earning a portion of the trip price helps you feel financially invested.

### What if there is an emergency?

Most emergencies can be prevented. GCY Field Staff will give safety orientations once youth reach the destination. Everyone is encouraged to take extra care looking out for themselves and adhering to safety guidelines. GCY field staff are certified Wilderness First Responders, and travel with a satellite phone and first-aid materials. Field staff and Trip Coordinators will reinforce safety guidelines throughout the trip. If there is an incident, the GCY office staff will work with guides to organize support. If you are nervous about any aspect of the expedition, please contact us for more information.

### What is the weather going to be like?

The weather in the Southwest is as unpredictable as the place itself. Prepare for all kinds of weather, and to be outside all day every day. Your expedition could be hot and sunny, cold and drizzly, or both! Pack layers to help you adjust to the range of temperatures and conditions. You can check the weather prior to your expedition by searching the forecast for **Phantom Ranch, Arizona**.

# Packing for Your GCY Expedition

## Grand Inspiration - Full Row

### How to Pack

You need two bags for this expedition. All of your personal items should be packed into a **trash bag or soft gym bag**, labeled with your name. This will be your "camp bag." GCY provides a waterproof dry bag to pack your camp bag into when you get to the river. Space is limited, pack as lightly as possible!

Your second bag is a **small school-sized backpack**, or "day pack." Pack this with what you need during the day. Keep in mind that things in the backpack will get wet.

**Left:** Your "camp bag" with personal items will be packed into a dry bag, then rolled and buckled to stay dry.

**Right:** A sturdy school backpack works perfectly as a "day pack."

*\*Bags are not to scale*

### GCY Will Provide...

A Personal Flotation Device (PFD) and a dry bag containing a sleeping bag, sleeping pad, and ground tarp. Tents are available, but most groups will sleep out under the stars! Other gear coming along includes boats, a full kitchen, an outdoor bathroom ("groover"), all food and snacks, first aid supplies, drinking water, and a kit of games, books, and art supplies.

### Borrowing from GCY

Please check with GCY before purchasing any items: we have many items available to borrow at our warehouse, including river shoes and rain gear. We know that kids grow quickly and purchasing outdoor gear can be expensive. Work with your Trip Coordinator to request items, or stop by GCY to try things on.

### Do Not Bring

If you do not see an item on the Equipment List, it is because **we have intentionally left it off**. Avoid bringing heavy clothing, towels, jeans, nice shoes, or leather boots. GCY expeditions are intentionally technology-free, so please do not bring any electronics (cell phones, gaming devices, etc.). Anything you bring may get lost or ruined! Also leave behind all money, wallets, and other valuables (if traveling independently, bring enough money for your meals, a post-expedition shower, and incidental expenses). GCY will provide plenty of snacks, so **leave all food and drinks** at home as well.

### Medications

**Please bring TWO SETS of any prescription medications** (inhalers, Epi-pens, daily medications, etc.). One set will stay with you and the other will go with your Trip Coordinator as backup. **Youth must be able to manage and administer their own medications** unless otherwise agreed or documented in a medication communication plan with collaborating organizations. GCY staff does not administer medication except in the event of emergencies.

GCY no longer requires COVID-19 vaccination and testing.

## Packing List

### Daypack (small backpack):

- ❑ **Sarong / lightweight cotton pants:** Bring 1 for sun protection and cooling off. Lightweight scarves or hospital scrub bottoms work well.
- ❑ **Rain gear:** 1 Rain jacket (no ponchos) & 1 pair of rain pants.
- ❑ **Sun hat:** With a large brim and chin strap. Wearing a hat is required.
- ❑ **Sunglasses and retention device (strap):** Chums or Croakies, for example.

- ❑ **Water bottles:** 2 Nalgene-type screw-top plastic bottles. You need at least 2 liters. Camelbacks or other hydration packs are okay as long as you also bring a spare water bottle.
- ❑ **Carabiners:** 2 metal clips that let you attach your backpack and water bottle to boats. Find them at outdoor shops. They should be at least 3 inches long and locking. Do not need to be climbing grade.
- ❑ **Bandana:** Bring 1 to wet and tie around your neck, under your hat to keep cool, or as a washcloth.
- ❑ **Waterproof disposable cameras:** (optional) Large or expensive cameras are not recommended.
- ❑ **Sunscreen:** At least a 6 oz. bottle with high SPF. Do not bring spray sunscreen.

- ❑ **Money (if traveling):** You do not need money while on expedition, but bring enough to cover your meals, a post-expedition shower, and incidental expenses if you are traveling independently.

### Trash Bag or Small Soft Duffel (Camp Bag - will pack into your dry bag)

- ❑ **Quick-dry shorts:** They should be made of nylon or fast-drying material (not cotton!). Athletic shorts, swim trunks, or leggings. Bring 3.

- ❑ **Lightweight fleece jacket:** Bring 1
- ❑ **Socks:** Bring 2-3 pairs.
- ❑ **Underwear:** Bring 5-6 pairs.

- ❑ **River shoes:** 1 pair of sport sandals with a thick sole and heel strap, such as Texas, Chacos, or Keens.

- ❑ **Headlamp or small flashlight:** Pack it with a new set of batteries.
- ❑ **Small journal and pen or pencil:** (optional).
- ❑ **Pillowcase/Small Travel Pillow:** There is no room for a regular pillow in your bag. We recommend stuffing extra clothes into a pillowcase to create a substitute.
- ❑ **Plastic bags:** (optional) These can separate dirty and clean clothes in your camp bag.

*Please arrive wearing items from this packing list. We will meet in Flagstaff for a brief orientation before traveling to Lees Ferry to camp.*
