Dear Parents & Guardians,

Welcome to Grand Canyon Youth! We are so pleased to have your youth joining us for a life-changing adventure.

Grand Canyon Youth (GCY) is a nonprofit organization based in Flagstaff that provides outdoor experiences to young people ages 10-19. We believe that all young people can benefit from time spent in natural places. GCY serves schools, groups, and youth from across the country.

Our programs are educational in nature: in addition to exploring the outdoors, your youth's journey with us will include hands-on science, art-making, time for reflection, teamwork, and much more.

For over 25 years, GCY has run hundreds of expeditions with thousands of participants from across the country! Our office staff will guide you and your youth every step of the way as you prepare for their adventure. Thank you for choosing to send your youth on a Grand Canyon Youth expedition. Nature and wilderness have the power to transform lives, and we are honored to share this opportunity with your youth.

Please do not hesitate to contact us if you have questions as you prepare your youth for their GCY expedition.

Sincerely,

Emma Wharton, MSW
GCY Executive Director

In service to our mission and values, GCY would like to acknowledge that this expedition visits the ancestral homelands of the Nucu (Ute), Pueblos, Diné (Navajo), Hopitutskwa (Hopi), Nuwuvi (Southern Paiute), Havasu Baaja (Havasupai), Kvav-Kapai (Hualapai), Pipa Aha Macav (Mojave), and Nuwuwu (Chemehuevi) peoples, past and present. We recognize with gratitude the people who have stewarded these lands since time immemorial and the vibrant Native communities who make their home here today.

What sets Grand Canyon Youth apart?

GCY provides some of the only access to the rivers and canyons of the Southwest dedicated to youth programming. We are committed to serving youth from a variety of backgrounds, so anyone who is interested has the chance to participate. Additionally, by completing GCY's Pre-Trip Requirements - community service, youth earnings, and an educational component - participants gain a strong sense of ownership over their program. GCY supports each expedition financially by offsetting about half of the trip price with money from donors, grants, and other fundraising efforts. All of this makes GCY stand apart, and provide unique, educational, high-quality expeditions.

About the Grand Discovery expedition

Join us on an adventure where we'll explore big questions like, "Who am I in this place?" Together, we'll dive into the diverse voices and perspectives that shape the Grand Canyon, from its ancient geology to the cultural stories passed through generations. Along the way, we'll embrace our own sense of wonder, build lasting friendships, and experience the canyon's beauty in ways few others ever do.

Developed in collaboration with the Education Branch of Grand Canyon National Park, youth on these trips will raft the mighty Colorado River, camp beneath star-strewn skies, hike and swim in beautiful side canyons, and ponder the mysteries of time and place.

This is not just a rafting trip, but a chance to learn from guides and educators while exploring the mysteries of time, place, and personal experience in the Grand Canyon. To learn more, watch the short video "What You Take Away" (<https://gcyouth.org/stories-photos/>).

Frequently Asked Questions

Is this expedition right for me?

- GCY does have very specific physical eligibility requirements. Please read them carefully here: <https://gcyouth.org/essential-eligibility>
- Our expeditions are for curious, enthusiastic individuals with a desire to discover the educational power of the river; no camping or river experience is required.
- You don't need to be super athletic, outdoorsy, or outgoing to enjoy this experience: you just need a sense of adventure, the willingness to exert yourself, and the desire to give back to your community and work as part of a team.
- We can accommodate many special needs; ask for additional information if needed.

How do I get there?

Youth come from all over to participate in our Grand Canyon expeditions! You are responsible for your own travel to and from Grand Canyon Youth's Flagstaff office, including any overnight arrangements needed before or after the expedition. If traveling from outside of Flagstaff, GCY may be able to arrange pick-up at local public transportation hubs such as the shuttle stop, train station, or Flagstaff airport. Travel to and from the river from our office is provided.

What are we going to do out there?

Being in nature means taking a break from the hustle of everyday life. You will spend your days sharing meals, playing games, hiking to incredible vistas or cultural sites, learning about the place, and having a lot of fun! Everyone works together: setting up camp, doing science projects, cooking dinner, and washing dishes. Come ready to work & learn!

Who is coming with me?

Your group will include youth from across the country – sometimes from across the world! Each expedition has a Trip Coordinator, an adult leader in charge of helping you prepare and making your expedition successful! Your Trip Coordinator will communicate with you prior to the expedition and be your main group leader throughout the expedition. At the river, you will meet your guide crew. Our guides have a passion for working with youth. Many GCY guides are alumni of our expeditions! There may also be other educators, scientists, or community experts joining your group.

How difficult will the expedition be?

It is important to be in good physical condition for this adventure. Building up endurance before your expedition is a good idea. You will be outside, active, and in the hot sun every day. This is part of the fun, but can be challenging. Besides rafting and hiking, plan on being active to help load and unload boats, pack and unpack gear, and set up and take down camp each day.

Hiking in the desert Southwest is different from hiking anywhere else. Many hikes contain uphill sections over uneven terrain, near vertical drop-offs. It can be very hot and dry, or wet and cold. Some hikes include rock scrambling and require guide assistance. Hiking is an important aspect of the expedition; expect to hike for a couple of hours most days.

What if there is an emergency?

Most emergencies can be prevented. GCY Field Staff will give safety orientations once youth reach the destination. Everyone is encouraged to take extra care looking out for themselves and adhering to safety guidelines. GCY field staff are certified Wilderness First Responders, and travel with a satellite phone and first-aid materials. Field staff and Trip Coordinators will reinforce safety guidelines throughout the trip. If there is an incident, the GCY office staff will work with guides to organize support. If you are nervous about any aspect of the expedition, please contact us for more information.

What is the weather going to be like?

The weather in the Southwest is as unpredictable as the place itself. Prepare for all kinds of weather, and to be outside all day every day. Your expedition could be hot and sunny, cold and drizzly, or both! Pack layers to help you adjust to the range of temperatures and conditions. You can check the weather prior to your expedition by searching the forecast for **Phantom Ranch, Arizona**.

Packing for Your GCY Expedition

Full Grand Canyon

How to Pack: Space is limited, pack as lightly as possible!

You need two bags for this expedition. All of your personal items should be packed into a **plastic trash/yard bag, pillow case, or soft gym bag** labeled with your name. GCY will provide a waterproof dry bag or "blueberry" for your sleep kit (provided by GCY) and personal items (you'll load all your personal gear into this dry bag before launching on the river). You will have access to this bag at every camp.

Your second bag is a **small school-sized backpack**, or "day pack." Please avoid rigid packs designed for electronics. You will use these for items you need to access during the day, like water bottles, sunscreen, lip balm, any daytime medications, rain gear, etc. Keep in mind that things in your day pack may get wet. GCY will provide a small dry bag for you to keep this bag in while on the boats.

Left: Your "camp bag" with personal items will be packed into a dry bag, then rolled and buckled to stay dry.

Right: A school backpack works perfectly as a "day pack."

**Bags are not to scale*

GCY will provide...

A Personal Flotation Device (PFD), river helmet, dry bags for your personal gear, sleeping bag, sleeping pad, and ground tarp. Tents are available, but most groups will sleep out under the stars! Other gear coming along includes boats, a full kitchen, an outdoor bathroom ("groover"), all food and snacks, first aid supplies, drinking water, and a kit of games, books, and art supplies.

Borrowing from GCY

Please check with GCY before purchasing any items: we have many items available to borrow at our warehouse, including river shoes and rain gear. We know that kids grow quickly, and purchasing outdoor gear can be expensive. Stop by GCY to try things on; otherwise, we can set you up on day one!

Do Not Bring

If you do not see an item on the Equipment List, it is because **we have intentionally left it off**. Avoid bringing heavy clothing, towels, jeans, nice shoes, or leather boots. GCY expeditions are intentionally technology-free, so please do not bring any electronics (cell phones, gaming devices, headphones, etc.). Anything you bring may get lost or ruined! Also, leave behind all money, wallets, and other valuables (if traveling independently, bring enough money for your meals, a post-expedition shower, and incidental expenses). GCY will provide plenty of snacks, so unless you have discussed the topic with GCY due to food allergies/intolerances, please **leave all food and drinks** at home as well.

We will meet in Flagstaff for a brief orientation and gear check before traveling to Lees Ferry to camp. Please arrive wearing items from the following packing list.
